Claim Rejections - 35 USC § 112

The rejections of claims 15, 18, 19 and 30 under 35 USC 112, second paragraph, is withdrawn in view of the applicant's amendments to claims 15, 18 and 30. in the die and electrical detection circuitry for detecting a response to the applied electric field, as recited in independent claim 29.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
